SEASON 3 ACTIVITY!

COLOR

Create a color wheel!

Supplies:

- white paper
- a black marker
- red, yellow and blue crayons or colored pencils

1. Draw a medium-sized circle on a piece of white paper with the black marker
2. Draw a big X in the circle that crosses in the middle
3. Draw a straight line across the circle that passes through the middle of the X
4. Color one section of the circle BLUE
5. Moving clockwise around the circle, skip the section beside the blue one then color the next section RED
6. Next, skip the section on the other side of the red and color in the section after that YELLOW
7. Finally, color the blank sections by blending their two neighboring colors together
