

NAME: \_\_\_\_\_

# FORM

## Supplies:

- paper
- pens

Create a sculpture using basic forms!

1. Work a small amount of clay into a sphere and set aside
2. Work a small amount of clay into a cube and set aside
3. Work a small amount of clay into a cylinder and set aside
4. Work a small amount of clay into a cone and set aside
5. Use the forms to create a sculpture that represents something important to you

For more fun: create different sizes of each form, then make more sculptures. Set your finished artwork up as a display, and invite others to view your work!
