

Sing like a Vocalist

Directions to Personalize A Song

- Pick a song you enjoy, and learn the words.
 - Pay attention to which parts of the song you connect with and how they make you feel.
 - Explore singing the song in different ways.
 - Keep exploring until you can sing it in a way that you think shares how you feel.
-  **For extra fun:** Learn to sing several songs that express how you feel in your own unique way then perform for an audience or record yourself and share it at ziggy@lpb.org !
